

A Dental Plan?

Who's looking out for your well being?

Did you know that 50% of our patients do not carry a dental plan? As employers look for ways to reduce their costs we are seeing reductions in benefits and an increase in the premiums patients pay. That is why we offer our patients the *Pointe Family Dentistry Dental Plan*. This is a pre-paid dental plan patients can sign up for and use at our practice.

Pointe Family Dentistry Pre-paid Dental Plan Eligibility

Anyone not covered by dental insurance is eligible. You can register as an adult or a child, though patients 16 years and older are considered adults and must apply as such.

Coverage:

Most dental services are provided at a reduced cost.

The following services are not discounted:

- treatment by dentists or staff outside of the practice;
- precision or other attachments for dentures, bridgework or any other dental appliances (although dentures and appliances themselves are discounted);
- dental implants;
- a general anesthesia as well as hospitalization for dental procedures.

Benefits:

- two regular cleanings;
- two periodic exams;
- bitewing x-rays yearly;
- a 12% discount on most dental services.

Annual Cost:

Adult member...\$225.00
Child member...\$168.00

If you feel that you could benefit from this plan, or if you have any questions, please see one of our receptionists.
